

# Leaders That Make A Difference

## Aspiring Leaders

As a Principal, do you find yourself pushed and pressed and torn into so many pieces that you wonder how you will ever get it all done? How invaluable would it be to pass some of your tasks to someone you can trust; someone **you 'tap'** who is ready for the challenge? If only you had a few trained teacher leaders on your team! The wait is over. The Aspiring Leaders Program is the answer to your leadership woes! School Leadership Center invites principals to "tap" teachers to train as the next generation of school leaders through the innovative Aspiring Leaders Program. The program prepares future school leaders and supports those presently in leadership positions who wish to grow.

The year-long, active learning program requires participants to attend four sessions: **Friday, November 10, and Saturday, November 11, 2017; Friday, January 26, and Saturday, January 27, 2018**. Aspiring Leaders is a serious examination of leadership, management, curriculum implementation, and supervision skills which propel the participants to become future Principals or school leaders. The cost is \$250 and can be paid using Title II funds. Additionally, Aspiring Leaders can earn up to 25 CLU's for participating.

### See What Future School Leaders had to say About the Aspiring Leaders Program

*"I learned numerous things about myself, as well as leadership qualities that a leader should possess."*

*"I have a greater understanding of educational leadership. This has been an awesome experience for me, and I will follow through on becoming an assistant principal."*

*"I am so glad that I was fortunate to share this experience, to gain insight from someone who has travelled the road."*
